7 February 2014

DPS EX-STUDENTS ENDOWMENT FUND

Dear Alumni

It is learnt that the Ex-Students of DPS Bhilai are eager to contribute towards renovation of the building/infrastructure of the school and their contributions are welcomed. We have created a **"DPS EX-STUDENTS ENDOWMENT FUND"** which will be utilized exclusively towards the renovation and expansion of building and infrastructure/fixed assets of DPS, Bhilai. Our primary focus is on the renovation of the building/ infrastructure of DPS Maroda Sector.

This is a Donor specified fund which is in the form of donations & contributions from the Ex- Students of DPS Bhilai only. The fund will be under the control and supervision of the PRINCIPAL and the transactions will be transparent. We will update our website about the contributions/donations received as well as how the amount contributed by the Ex-Students is being utilized.

A minimum amount of Rs. 10,000/- contribution/donation is solicited. But anything more is always welcome.

Please find a FORM appended below which you have to fill and **send along with the donation cheque or DD (Payable at Bhilai) in INR in favour of "DELHI PUBLIC SCHOOL, BHILAI"**. Please note that the cheque has to be in INR to avoid FCRA (Foreign Contribution Regulation Act) complications (If you are an NRI, then you may request a relative in India to send the cheque or DD).
