Dear Parents/Guardians

As you are all aware in view of the Covid-19 pandemic, almost everyone has been advised to stay at home. In such a situation, it is necessary to keep our children fruitfully occupied. With this aim in mind, the teachers have designed certain assignments, classwise, for the students and it is requested that the parents motivate the children to complete the same so as to ensure that they do not lose touch with academics.

The link to the classwise list of activities/assignments is given below:
