Subject: Running of school buses - Reg.

Dear Parents/Guardians

Please note the following:

1. We will be running buses only for Classes I-XII on such routes where the commuters' strength is appropriate.
2. Timings of the buses will be according to the present school timings.
3. If the response is more, we will consider to run the school buses in odd/even basis.
4. All those who opt for school transport need to pay a full months' transport fee irrespective of their attendance.
5. Depending upon the response, we will try to cover the routes, but may be with less number of buses and hence, the running time will be more to reach school and back.
6. You are requested to fill-in the Google Form **latest by 24 November 2021 by 5:00 p.m.** through the link: <https://forms.gle/7cVzNCW3EX4JL9TK7>. Please fill-in the boxes carefully. Correct information about the area and bus stop will help us to assess the strength properly.
7. For your ready reference, we give below the link of bus routes of class I-XII:
