Dear parents/guardians

This has reference to our parental circular no. DPSB:RG:Parental circular/15-16/16 dated 13 October 2015 concerning students commuting to school by two wheelers (both geared and non-geared).

We regret to observe that even after that circular some of our students are still commuting to school by two wheelers (both geared and non-geared) without having a valid Driving License and are also found to be driving without helmets, thereby risking their lives. If your ward is not legally authorized to drive a motor vehicle, please do not let your child come to school driving it. Moreover, they are seen parking their vehicles outside the school campus i.e. near the residential area (Ruabandha Sector) which is resulting in problems for the residents. The residents have been approaching the school authorities about the inconvenience caused to them in view of our students parking vehicles in front of their quarters.

In view of the above, we very humbly seek your kind cooperation in ensuring that your ward has a valid Driving License (if legally allowed) for a geared or non-geared vehicle, wears a helmet while driving and also parks his/her vehicle in the designated place inside the school campus.

Subject: Aadhar Card and Bank Account – Reg.

Dear parents/guardians

We have been constantly getting instructions from the district authorities to ensure that each and every student of the school has an Aadhar Card or has registered his/her name to obtain the same. For this purpose, an arrangement was also made on the school premises of both Risali and Maroda Campuses with the help of district authorities from 30 August to 26 September 2016 for the benefit of those students who had not begun the process to have the Aadhar Card.

Further, it is now becoming obligatory to open a savings bank account in the name of the student (joint account with either of the parents) for the purpose of scholarships, if any, which are being directly credited to the bank account of the students.

On account of the above, parents/guardians are requested to ensure that their ward(s) have the Aadhar Card and Bank account at the earliest. If, your ward(s) is holding Aadhar card and having savings bank account, please ensure that the Aadhar number is linked with his/her savings bank account.

In due course of time you will be provided access to the personal details of your ward(s) through office automation and DPS Bhilai APP to verify/modify the same.

Your cooperation is highly solicited.

Subject: Weight of the School Bag

Dear Parents/Guardians

It has been observed that despite providing lockers in the class for each child and clear instructions from the school regarding books to be kept in the locker, children are regularly carrying these books home. Also, books are not being brought according to the Time-Table. You are hereby requested to do the needful at your end. This will help in reducing the load of the school bag as heavy bags are detrimental to your child's health.

Your cooperation is solicited.
